To that end, the Secretary of State will consider providing funding in accordance with any arrangements as he considers appropriate.
- 38A) The parties acknowledge that while and to the extent an Academy operates from Property or any part of it pursuant to a lease with a third party (without limitation the Trustees and/or the LA) that in respect of the occupation of and use of that Property or any part of it the terms of the relevant lease shall prevail over any provisions in this Agreement.
- 39) Any Capital Expenditure incurred in respect of each Academy on which Capital Grant payments are sought from the Secretary of State will require the specific prior written agreement of the Secretary of State, which agreement shall not be unreasonably withheld or delayed.
- 40) Any payment of Capital Grant to the Company under this Agreement is subject to the fulfilment of the following conditions:
 - a) such grants are used solely to defray expenditure approved by the Secretary of State;
 - a) the Company certifying and providing evidence that all planning and other consents necessary for the development and all related infrastructure to be completed have been obtained or put in place;

- b) Any other conditions that the Secretary of State may specify; and
 - c) the Company procuring the written consent of the Trustees in any event, and the LA where applicable, to any proposed works at the Property for which Capital Grant is requested or to the acquisition of any land and/or buildings.
- 40A) In recognition of the Trustees' interest in all Premises and the possible effect of Capital Grant paid by the Secretary of State in relation to Capital Expenditure on such Premises, the Secretary of State commits to the following:
- a) to acknowledging the Trustees' right to consent or to withhold its consent (acting reasonably) to the carrying out of any works to Premises which are to be paid for from any Capital Grant and/or the acquisition of any land to be used by an Academy;
 - b) to recognise the Trustees' interest in ensuring that any works to Premises are carried out properly; and
 - c) to acknowledge and take full account of any financial contribution that any third party, such as the Trustees, agrees to make or that the Company makes to the cost of such works other than through Capital Grant.
- 40B) In the event that the Company wishes to acquire any interest in land for the purposes of an Academy, the parties agree that the Trustees shall be given reasonable notice of the same by the Company together with a copy of all relevant information which the Company has gathered about the land and its acquisition, including (without limitation) the likely purchase price, the amount of Capital Grant which the Company has applied or intends to apply to the Secretary of State to pay in respect of such acquisition and any conditions which the Secretary of State may have indicated he is minded to specify in respect of such Capital Grant and/or the land and the Trustees shall be afforded the opportunity to acquire such interest. In such circumstances:
- a) where the Trustees notify the Company that they agree to acquire the land for the purposes of the Academy any Capital Grant paid to the Company for the purposes of such acquisition shall be paid to the Trustees by the Company or as the Trustees direct to be used solely for the purpose of such acquisition; and
 - b) following such acquisition the Trustees shall grant a lease to the Company on the same terms (mutatis mutandis) as the existing lease between the Company and the Trustees and, where possible, with a co-terminus expiry date and until the Trustees

either acquire or notify the Company and the Secretary of State that they do not wish to acquire such land the Company shall not proceed with such acquisition.

- c) The parties acknowledge and agree that any interest in land acquired by the Trustees wholly or partly as a result of payments of Capital Grant made by the Secretary of State to the Company, and which are then paid to the Trustees, or paid as the Trustees direct, shall be considered to be land that has been acquired or enhanced in value wholly or partly by payments made by or on behalf of the Secretary of State for the purposes of Schedule 1 to the Academies Act 2010.

Arrangements for Payment of Capital Grant

- 41) Capital Grant will be paid by the Secretary of State to the Company on the basis of claims for grant submitted to the Secretary of State in the notified format with supporting invoices and certificates as required by the Secretary of State. If a dispute arises as to whether a claim is or is not acceptable both parties undertake to attempt to resolve it in good faith. In the event of such a dispute, the Secretary of State shall pay to the Company so much of the claim as shall not be in dispute.

General Annual Grant

- 41A) GAG paid by the Secretary of State in respect of an Academy shall only be spent by the Company towards the normal running costs of the Academies.
- 42) Clauses 42A to 53 apply in respect of **Mainstream Academies** only.
- 42A) GAG will be paid by the Secretary of State to the Company in order to cover the normal running costs of each **Mainstream Academy**. These will include, but are not limited to:
 - a) teachers' salaries and related costs (including full and part time teaching staff and seconded teachers);
 - b) non-teaching staff salaries and related costs (including pension contributions, educational support staff, administrative and clerical staff and manual and premises related staff);
 - c) employees' expenses;
 - d) the purchase, maintenance, repair and replacement:

- (i) of teaching and learning materials and other educational equipment, including books, stationery and ICT equipment and software, sports equipment and laboratory equipment and materials;
 - (ii) of other supplies and services;
- e) examination fees;
 - f) repairs, servicing and maintenance of buildings (including redecoration, heating, plumbing, lighting etc); maintenance of grounds (including boundary fences and walls); cleaning materials and contract cleaning; water and sewage; fuel and light (including fuel oil, solid and other fuel, electricity and gas); rents; rates; purchase, maintenance, repairs and replacement of furniture and fittings;
 - g) insurance;
 - h) medical equipment and supplies;
 - i) staff development (including in-service training);
 - j) curriculum development;
 - k) the costs of providing school meals for pupils (including the cost of providing free school meals to pupils who are eligible to receive them), and discretionary grants to pupils to meet the cost of pupil support, including support for pupils with SEN or disabilities (taking account of the fact that separate additional money will be available for pupils with Statements of SEN);
 - l) administration;
 - m) establishment expenses and other institutional costs.
- 43) Subject to clauses to 51-52, GAG for each Academy Financial Year for each **Mainstream Academy** will include:
- a) funding equivalent to that which would be received by a maintained school with similar characteristics, determined by the Secretary of State and notified in the Annual Letter of Funding or its equivalent, taking account of the number of pupils at each Academy; and

- b) funding in respect of functions which would be carried out by the LA if each Academy was a maintained school.
- 44) The GAG for each Academy Financial Year for each **Mainstream Academy** will also include, payable on a basis equivalent to that applied to maintained schools:
- a) funding for matters for which it is necessary for that Academy to incur extra costs, for as long as those costs are deemed necessary by the Secretary of State; and
 - b) payments in respect of further, specific grants made available to maintained schools, where the relevant Academy meets the requisite conditions and criteria necessary for a maintained school to receive these grants, such payments to be at the discretion of the Secretary of State.
- 45) Subject to clause 47, the basis of the pupil number count for the purposes of determining GAG for the Academy Financial Year in which a **Mainstream Academy** opens shall be the same basis as that used by the LA for determining the budget share of the predecessor maintained school as adjusted by numbers counted in any subsequent Schools Census, as determined by the Secretary of State.
- 46) Subject to clause 47, the basis of the pupil number count for the purpose of determining GAG for a Mainstream Academy for Academy Financial Years after the Academy Financial Year in which the Academy opens will be:
- a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
 - b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.
- 47) Where either of the following conditions applies in respect of an Academy Financial Year, the basis of the pupil count shall be determined by the Secretary of State, taking account of any diseconomies of scale that the Academy will be under as a result of such condition(s) applying. The conditions are:
- a) not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or

- b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement, and has not at any previous time been 90% or more of that number.
- 48) For any Academy Financial Year in which GAG for a **Mainstream Academy** has been calculated in accordance with clause 45, no adjustment shall be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise variation from the pupil count basis used.
- 49) For any Academy Financial Year in which GAG for a **Mainstream Academy** is calculated in accordance with clause 46, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on balances. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the Annual Letter of Funding in respect of the Relevant Academy.
- 50) The Secretary of State recognises that:
- a) in relation to **Mainstream Academies** which open with intakes representing only a proportion of the final planned size of the Academy, payments based simply upon the number of pupils present are unlikely to be sufficient to meet that Academy's needs in the Academy Financial Years before all age groups are present at their planned size (the "Start-up Period") because of a lack of economies of scale. The Secretary of State may pay an appropriately larger GAG in the Start-up Period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively⁵;
- b) in relation to **Mainstream Academies** which open with pupils transferred from one or more maintained schools which have closed, additional GAG resources may be required to take account of transitional costs including any costs associated with supporting the integration of pupils from the closed schools and, where necessary, to

⁵ Note that a larger GAG for the Start-Up Period is not applicable to schools applying to convert further to the Academies Act 2010.

offer a dual curriculum. If the Secretary of State has indicated that such additional GAG will be payable, the Company will make a bid for this addition to GAG based upon need and providing appropriate supporting evidence.

- 51) During the Start-up Period or during the period when year groups are present who have transferred from a predecessor school or schools, the Secretary of State will pay a further element of GAG additional to that calculated in accordance with the methods set out in clauses 43-49 to allow the relevant **Mainstream Academy** to:
- a) purchase a basic stock of teaching and learning materials (including library books, text books, software, stationery, science equipment and equipment for physical education) and other consumable materials; and
 - b) meet the costs associated with the recruitment and induction of additional teaching and other staff.

After the Start-up Period these costs will be met through the ordinary GAG.

- 52) The Secretary of State recognises that if he serves notice of intention to terminate a Supplemental Agreement in respect of an Academy the intake of new pupils during the notice period is likely to decline and that in such circumstances payments based simply upon the number of pupils attending the relevant **Mainstream Academy** are unlikely to be sufficient to meet that Academy's needs during the notice period. The Secretary of State undertakes to pay a reasonable and appropriately larger GAG with respect to that Academy in the notice period than would be justified solely on the basis of the methods set out in clauses 43-49, in order to enable the Academy to operate effectively.
- 53) The Secretary of State also recognises that if this Agreement or a Supplemental Agreement is terminated for any reason by either party the number of pupils at the relevant **Mainstream Academy or Mainstream Academies** is likely to decline. In these circumstances both parties undertake to attempt to resolve issues arising from such termination in good faith and with the aim of protecting the interests and the education of the pupils at the Academy or Academies.
- 54) Number not used.

Earmarked Annual Grant

- 55) Earmarked Annual Grant ("EAG") may be paid by the Secretary of State to the Company in respect of either Recurrent Expenditure or Capital Expenditure for such specific purposes as may from time to time be agreed between the Secretary of State and the Company and described in the Annual Letter of Funding for that Academy provided that where the EAG relates to Capital Expenditure the Trustees and/or the LA where applicable, give their consent in advance to such purposes in writing. The Company shall only spend EAG in accordance with the scope, terms and conditions of the grant set out in the relevant Annual Letter of Funding.
- 56) Where the Company is seeking a specific EAG in relation to any Academy Financial Year, it shall submit a letter outlining its proposals and the reasons for its request to the DfE accompanied by the Trustees' and/or the LA's written consent to the specific purpose for which any Capital Expenditure element of the EAG is proposed.

Arrangements for Payment of GAG and EAG

- 57) The Secretary of State shall notify the Company at a date preceding the start of each Academy Financial Year of the GAG and EAG figures in respect of each Academy which, subject to Parliamentary approval, the Secretary of State plans for that Academy Financial Year and of the assumptions and figures on which these are based.
- 58) If GAG or EAG is calculated incorrectly due to a mistake of the Secretary of State then:
- a) if this leads to an underpayment of GAG, the Secretary of State will correct the underpayment in subsequent Academy Financial Years;
 - b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.
- 59) If GAG or EAG is calculated incorrectly because the Company provides incorrect information to the Secretary of State then;
- a) if this leads to an underpayment of GAG, the Secretary of State may correct the underpayment in subsequent Academy Financial Years;

- b) if this leads to an overpayment of GAG, the Secretary of State reserves the right to recover any overpaid grant in subsequent Academy Financial Years, as appropriate, having considered all the relevant circumstances and taking into account any representations from the Company.
- 60) The amounts of GAG for an Academy Financial Year will be determined annually by the Secretary of State. The amount of GAG for each Academy for the initial Academy Financial Year will be notified to the Company in a funding letter at a date preceding that year. For subsequent years the amount of GAG for each Academy will be notified to the Company in a funding letter preceding that Academy Financial Year (the "Annual Letter of Funding"). The Annual Letter of Funding for each Academy will not include the amount that the Company will receive in respect of grants for which information to enable timely calculation is not available or is incomplete, such grants will be notified as soon as practicable later in the year. Amounts of EAG for each Academy will be notified to the Company wherever possible in the relevant Academy's Annual Letter of Funding or as soon as practicable thereafter.
- 61) The Secretary of State undertakes to pay GAG for each Academy in monthly instalments on or before the twenty fifth day of each month, each such instalment to fund the salaries and other payroll costs for the relevant month of all monthly paid employees and all other costs payable during the next following month. The detailed arrangements for payment will be set out in each Academy's Annual Letter of Funding.

Other relevant funding

- 62)⁶ Number not used
- 63) The Secretary of State may pay all or part of the costs incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid. However, the Secretary of State shall act fairly and reasonably in determining what (if any) costs

⁶ NOTE. For **Mainstream Academies** with approved Academy Action Plans see appropriate wording to be included as set out in Section B of the Appendix below.

will be paid by way of grant, taking into account all the circumstances, including the necessity of incurring such costs as a result of the predecessor schools converting to the multi academy Company.

- 64) The Company may also receive funding from a LA in respect of the provision detailed in statements of SEN for pupils attending an Academy in accordance with the provisions of section 483A of the Education Act 1996 and regulations made under that section. The Company shall ensure that all provision detailed in statements of SEN is provided for such pupils.
- 65) Number not used
- 65A) The Secretary of State shall meet the costs of any relevant statutory denominational inspection at any Academy requested by the Company pursuant to clause 26C of this Agreement and notified by the Company to the Secretary of State provided these do not occur in relation to that Academy more often than once every three years.

FINANCIAL AND ACCOUNTING REQUIREMENTS

General

- 66) The Company shall appoint an Accounting Officer and shall notify the Secretary of State of that appointment.
- 67) In relation to the use of grant paid to the Company by the Secretary of State, the Company shall abide by the requirements of and have regard to the guidance in the Academies Financial Handbook published by the DfE and amended from time to time and as modified to take account of the fact that the Company manages more than one Academy, which sets out in detail provisions for the financial management of each Academy including guidance on financial systems and controls and accounting and reporting requirements, in so far as these are not inconsistent with any accounting and reporting requirements and guidance that it may be subject to by virtue of its being a charity.
- 67A) The Company shall abide by the requirements of the current 16 to 19 Funding Guidance published by the Secretary of State and as amended from time to time, or such other guidance on 16 to 19 funding issued by the Secretary of State as may from time to time be applicable, in respect of any of its provision for persons who are above compulsory school age until the academic year in which they reach the age of 19.

- 68) The formal budget plan must be approved each Academy Financial Year by the Directors of the Company.
- 69) Any payment of grant by the Secretary of State in respect of each Academy is subject to his being satisfied as to the fulfilment by the Company of the following conditions:
- a) in its conduct and operation it shall apply financial and other controls which conform to the requirements both of propriety and of good financial management;
 - b) arrangements have been made to maintain proper accounting records and that statements of income and expenditure and balance sheets may be produced in such form and frequency as the Secretary of State may from time to time reasonably direct;
 - c) in addition to the obligation to fulfil the statutory requirements referred to in sub-clause f) below, the Company shall prepare its financial statements, Directors' report, Annual Report, Annual Accounts and its Annual Return for each Academy Financial Year in accordance with the Statements of Recommended Practice as issued by the Charity Commission and updated from time to time as if the Company was a non-exempt Charity and/or in such form or manner and by such date as the Secretary of State may reasonably direct and shall file these with the Secretary of State and the Principal Regulator before the 31st December of each Academy Financial Year;
 - d) a statement of the accounting policies used should be sent to the Secretary of State with the financial statements and should carry an audit report stating that, in the opinion of the auditors, the statements show a true and fair view of the Company's affairs and that the grants were used for the purposes intended;
 - e) the Company shall ensure that its accounts are audited annually by independent auditors appointed under arrangements approved by the Secretary of State;
 - f) the Company prepares and files with the Companies Registry such annual accounts as are required by the Companies Act 2006;

- h) the Company insures or procures insurance by another person of its assets in accordance with normal commercial practice or under the terms of any subsisting leases in respect of the leasehold interest of the Property upon which each Academy is situated.
- 70) In addition, and at his expense, the Secretary of State may instruct auditors to report to him on the adequacy and effectiveness of the accounting systems and internal controls maintained by the Company to standards determined by the Secretary of State and to make recommendations for improving the financial management of the Company.
- 71) The books of accounts and all relevant records, files and reports of the Company including those relating to financial controls, shall be open at all reasonable times to officials of the DfE and the National Audit Office and to contractors retained by the DfE or the National Audit Office for inspection or the carrying out of value for money studies; and the Company shall secure that those officials and contractors are given reasonable assistance with their enquiries. For the purposes of this clause 'relevant' means in any way relevant to the provision and use of grants provided by the Secretary of State under this Agreement.
- 72) The Company shall submit information in relation to the finances of each Academy to the Secretary of State in accordance with the requirements of the Academies Financial Handbook as amended from time to time, or as otherwise specified from time to time by the Secretary of State.
- 73) At the beginning of any Academy Financial Year the Company may hold unspent GAG for any Academy from previous Academy Financial Years amounting to such percentage (if any) as for the time being is specified in the Academies Financial Handbook, or otherwise as the Secretary of State may specify by notice in writing to the Company prior to the beginning of that Academy Financial Year of the total GAG payable for the Academy in the Academy Financial Year just ended or such higher amount as may from time to time be agreed. The Company shall use such carried forward amount for such purpose, or subject to such restriction on its use, as for the time being is specified in the Academies Financial Handbook, or otherwise as the Secretary of State may specify by notice in writing to the Company.
- 74) Notwithstanding clause 73, any additional grant provided over and above that set out in clauses 43-49 in relation to **Mainstream Academies** and made in accordance with

clauses 50-52 may be carried forward without limitation or deduction until the Start-up Period or the circumstances set out in clause 52 come to an end.

- 75) Any unspent GAG not allowed to be carried forward under clauses 73-74 may be taken into account in the payment of subsequent grant.
- 75A) GAG paid by the Secretary of State shall only be used by the Company in accordance with the Company's Objects and for the educational charitable purpose of advancing for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing Catholic Academies offering a broad and balanced curriculum. Such funds shall not be used by the Company for any other charitable purpose without the prior written consent of the Secretary of State, except where the use of such funds for that charitable purpose is merely incidental to their use for the educational charitable purpose of advancing for the public benefit education in the United Kingdom.
- 76) The Company may also spend or accumulate funds from private sources or public sources other than grants from the Secretary of State for application to the benefit of an Academy as it sees fit. Any surplus arising from private sources or public sources other than grants from the Secretary of State shall be separately identified in the Company's balance sheet.
- 77) None of the actions listed below shall be taken by the Company in relation to assets or property funded (whether in whole or in part) by the Secretary of State or otherwise coming within the meaning of publicly funded land as defined by paragraph 22(3) of Schedule 1 to the Academies Act 2010, without the prior written consent of the Secretary of State and/or of the Trustees, granted or not as the case may be, in accordance with clauses 78, 78A and 78B. The actions referred to are:
- a) except such as are given in normal contractual relations, give any guarantees, indemnities or letters of comfort;
 - b) write off any debts or liabilities owed to it, nor offer to make any ex gratia payments (such as staff severance or compensation payments);
 - c) make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of or acquire land or granting or entering into an option to acquire an interest in property; or

d) grant or take up any leasehold or tenancy agreement provided that the consent of the Secretary of State shall not be required for a leasehold or tenancy agreement for a term of three years or less.

78) The Company shall provide 30 days prior written notice to the Secretary of State and to the Trustees, whether or not the circumstances require the Secretary of State's consent, of its intention to:

a) give any guarantees, indemnities or letters of comfort;

b) write off any debts owed to it or offer to make any ex gratia payments;

c) make any sale or purchase of or otherwise dispose of freehold or leasehold property including entering into a contract to dispose of property or granting an option to acquire an interest in property; or

d) take up any leasehold or tenancy agreement for a term exceeding three years.

78A) Where the Company proposes to carry out any of the actions referred to in clauses 77 and/or 81 and/or where the proposed action relates to any land owned or leased by the Company or proposed to be owned or leased by the Company, the action proposed is deemed to be permitted by the Secretary of State and the Secretary of State's consent is deemed to be given pursuant to clause 77 where:

a) the transaction value is below the value for the time being specified in the Academies Financial Handbook; or in a notice in writing issued by the Secretary of State to the Company and to the Trustees from time to time; or

b) the action proposed is the granting of any leasehold or tenancy agreement for a term of three years or less.

Notwithstanding that the consent of the Secretary of State is not required for such actions in the circumstances stated in sub-clauses a) and b) above, the prior written consent of the Trustees is required in respect of each such action. The Company shall apply to the Trustees in writing for consent at least 30 days before the consent is required and the Trustees retain an absolute discretion to give or refuse their consent and with or without such conditions as the Trustees shall see fit to impose.

78B) Where an action proposed requires the consent of the Secretary of State because the circumstances set out in clause 78A do not apply, or because it is an action

referred to in clauses 84, 85, 87 and/or 88, the Secretary of State shall not give consent to any disposal, acquisition or grant of security or borrowing against or putting at risk of such land without first consulting the Trustees and having due regard to any representations made by them and wherever applicable shall comply with clause 40B but otherwise his consent shall not be unreasonably withheld or delayed.

- 79) Each discovered loss of an amount exceeding the amount for the time being specified by the Secretary of State and arising from suspected theft or fraud, shall be reported by the Company to the Secretary of State at the earliest opportunity.
- 80) It is the responsibility of the Company to ensure that each Academy balances its budget from Academy Financial Year to Academy Financial Year. For the avoidance of doubt, this does not prevent the Company from:
- a) subject to clause 73, carrying a surplus from one Academy Financial Year to the next; or
 - b) carrying forward from a previous Academy Financial Year or Academy Financial Years a sufficient surplus or sufficient cumulative surpluses on grants from the Secretary of State to meet an in-year deficit on such grants in a subsequent financial year; or
 - c) incurring an in-year deficit on funds from sources other than grants from the Secretary of State in any Academy Financial Year, provided it does not affect the Company's responsibility to ensure that the Company balances its overall budget from Academy Financial Year to Academy Financial Year.
- 80A) The Company shall abide by the requirements of and have regard to the Charity Commission's guidance to charities and charity trustees and in particular the Charity Commission's guidance in Protecting Charities from Harm ('the compliance toolkit'). Any references in this document which require charity trustees to report to the Charity Commission should instead be interpreted as references to report to the Principal Regulator.

Borrowing Powers

- 81) The Company shall not borrow against or so as to put at risk property or assets funded (whether in whole or in part) by the Secretary of State except:
- a) as may be permitted by the Academies Financial Handbook (as may be amended from time to time) and only where such action is not contrary to any provisions in any applicable lease and only with the prior written consent of the Trustees; or
 - b) otherwise only with the specific approval of the Secretary of State given in response to a written application to him by the Company and given in accordance with clause 78B.

The Company shall not operate an overdraft except to cover irregularities in cash flow. Such an overdraft, and the maximum amount to be borrowed, shall require approval by the Company in General Meeting and in writing by the Secretary of State, and shall be subject to any conditions which the Secretary of State may reasonably impose.

- 82) The Company shall provide 30 days' notice to the Secretary of State of its intention to borrow, whether or not such borrowing requires the Secretary of State's approval under clause 81 above.

Disposal of Assets

- 83A) For the avoidance of any doubt, the following clauses 83 to 89 inclusive of this Agreement do not apply to any Property which is the subject matter of a lease or leases granted by the Trustees and in which the Company's interest is as a tenant. Such Property shall not be considered to be a capital asset for the purposes of clauses 83 to 89 inclusive of this Agreement and/or clause 6.5 of any relevant Supplemental Agreement and the terms of the relevant lease or leases shall take precedence over clauses 83 to 89 of this Agreement and/or clause 6.5 of any relevant Supplemental Agreement.
- 83) Where the Company acquires a capital asset for a nil consideration or at an under value it shall be treated for the purpose of this Agreement as having incurred expenditure equal to the market value of those assets at the time that they were acquired. This provision shall not apply to an asset transferred to the Company at nil or nominal consideration and which was previously used for the purposes of an Academy or a school at the Property and/or were transferred from an LA, the value of

which assets shall be disregarded.

- 84) The sale or disposal by other means, or reinvestment of proceeds from the disposal, of a capital asset by the Company shall require the consent both of the Trustees and of the Secretary of State, granted (or not as the case may be) in accordance with clauses 78A and 78B respectively, where:
- a) the Secretary of State paid capital grant in excess of the value for the time being specified by the Secretary of State for the asset; or
 - b) the asset was transferred to the Company from an LA for no or nominal consideration.
- 85) Furthermore, reinvestment of a percentage of the proceeds of disposal of a capital asset paid for with a capital grant from the Secretary of State shall require the consent of both the Trustees and of the Secretary of State, granted (or not as the case may be) in accordance with clauses 78A and 78B respectively, and reinvestment exceeding the value for the time being specified by the Secretary of State or with other special features will be subject to Parliamentary approval. The percentage of the proceeds for which consent is needed is the percentage of the initial price of the asset which was paid by capital grant from the Secretary of State.
- 86) This clause applies in the event, during the lifetime of this Agreement, of the disposal of a capital asset for which capital grant of any amount was paid by the Secretary of State, where the asset was acquired by the Company. In this event, the Company shall repay to the Secretary of State the same proportion of the proceeds of the disposal as equates with the proportion of the original cost met by the Secretary of State, unless the Secretary of State agrees to some or all of the proceeds being retained by the Company for its charitable purposes.
- 87) This clause applies in the event, during the lifetime of this Agreement, that the Trustees and the Secretary of State consent to the disposal of an asset which was transferred to the Company from an LA for no or nominal consideration. In this event the Trustees and the Secretary of State may give consent (or not as the case may be), in accordance with clauses 78A and 78B respectively with such conditions as to the proceeds of the disposal as the Secretary of State may consider reasonable and taking into account the amount of the proceeds to be reinvested by the Company and/or paid to the LA. Subject always to clause 78B, the Secretary of State will also have regard to any representations made by the Company and/or the LA from which

the asset was transferred before giving his consent under this clause.

- 88) Except with the consent of both the Trustees and the Secretary of State, the Company shall not dispose of assets funded (whether in whole or in part) by the Secretary of State for a consideration less than the best price that can reasonably be obtained, such consent not to be unreasonably withheld or delayed.
- 89) The Company shall provide 30 days' written notice to the Secretary of State and to the Trustees of its intention to dispose of assets for a consideration less than the best price that can reasonably be obtained, whether or not such disposal requires the Secretary of State's consent under clause 88 above.

TERMINATION

- 90) This Agreement shall commence on the date hereof and continue until terminated in accordance with clause 91 or until all Supplemental Agreements have terminated.
- 91) The Secretary of State may at any time by notice in writing to the Directors, copied to the Trustees and to the Diocesan Bishop terminate this Agreement and each of the Supplemental Agreements, such termination to take effect on the date stated in the notice, on the occurrence, or where in his reasonable opinion there is a serious risk of occurrence of any of the following events:-
- a) the Company calls a meeting of its creditors (whether formal or informal) or enters into any composition or arrangement (whether formal or informal) with its creditors; or
 - b) the Company proposes a voluntary arrangement within section 1 of the Insolvency Act 1986 (as amended); or
 - c) the Company is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 provided that, for the purposes of this Clause, section 123 (1)(a) of the Insolvency Act 1986 shall have effect as if the amount of £10,000 was substituted for £750. Duties in relation to pupils with SEN¹

1. The Directors of the Company must, in respect of each **Mainstream Academy**, comply with all of the duties imposed upon the governing bodies of maintained schools in;
 - Part 4 of the Education Act 1996 as amended from time to time²;
 - The Education (Special Educational Needs) (Information) Regulations 1999 as amended from time to time;
 - The Education (Special Educational Needs Co-ordinators) (England) (Amendment) Regulations 2008 as amended from time to time³.

2. Notwithstanding any provision in this Agreement, the Secretary of State may (whether following a complaint made to him or otherwise) direct the Company to comply with an obligation described in this Annex where the Company has failed to comply with any such obligation.

3. Where a child who has SEN is being educated in a **Mainstream Academy**, those concerned with making special educational provision for the child must secure that the child engages in the activities of the school together with children who do not have SEN, so far as is reasonably practicable and is compatible with:
 - (a) the child receiving the special educational provision which his learning difficulty calls for,
 - (b) the provision of efficient education for the children with whom he will be educated, and
 - (c) the efficient use of resources.

4. In addition to complying with the duties imposed upon the governing bodies of maintained schools set out in The Education (Special Educational Needs) (Information) Regulations 1999 (as amended from time to time) the Company must ensure that the website for each Academy includes details of the implementation of its policy for pupils with special educational needs; the arrangements for the admission of disabled pupils; the steps taken to prevent disabled pupils from being treated less favourably than other pupils; and the facilities provided to assist access to the Academy by disabled pupils (disabled pupils meaning pupils who are disabled for the purposes of the Equality Act

2010¹).

Admissions²

5. The Company must ensure that for each **Mainstream Academy** pupils with SEN are admitted on an equal basis with others in accordance with the Academy's admissions policy.
6. Where a local authority ("LA") proposes to name a **Mainstream Academy** in a statement of SEN made in accordance with section 324 of the Education Act 1996, it must give the Company written notice that it so proposes. Within 15 days of receipt of the LA's notice that it proposes to name the Academy in a statement, the Company must consent to being named, except where admitting the child would be incompatible with the provision of efficient education for other children; and where no reasonable steps may be made to secure compatibility. In deciding whether a child's inclusion would be incompatible with the efficient education of other children, the Company must have regard to the relevant guidance issued by the Secretary of State to maintained schools.
7. If the Company determines that admitting the child would be incompatible with the provision of efficient education, it must, within 15 days of receipt of the LA's notice, notify the LA in writing that it does not agree that the Academy should be named in the pupil's statement. Such notice must set out all the facts and matters the Company relies upon in support of its contention that: (a) admitting the child would be incompatible with efficiently educating other children; and (b) the Company cannot take reasonable steps to secure this compatibility.
8. After service by the Company on the LA of any notice (further to paragraph 7 above) stating that it does not agree with the LA's proposal that the Academy be named, the Company must seek to establish from the LA, as soon as is reasonably practicable, whether or not the LA agrees with the Company. If the LA notifies the Company that it does not agree with the Company's response, and names the Academy in the child's statement, then the Company must admit the child to the school on the date specified in the statement or on the date specified by the LA.
9. Where the Company consider that the Academy should not have been named in a child's statement, they may ask the Secretary of State to determine that the LA has acted unreasonably in naming the Academy and to make an order directing the LA to reconsider.
10. The Secretary of State's determination shall, subject only to any right of appeal which any parent or guardian of the child may have to the First-tier Tribunal (Special Educational Needs and Disability), be final.

¹ For the meaning of 'disabled', see section 6 of the Equality Act 2010.

² SEN Admissions requirements for special academies are set out in the Special Academy Supplemental Funding Agreement Annex 1.

Multi Academy Model

11. If a parent or guardian of a child in respect of whom a statement is maintained by the local authority appeals to the First-tier Tribunal (Special Educational Needs and Disability) either against the naming of an Academy in the child's SEN statement or asking the Tribunal to name an Academy, then the decision of the Tribunal on any such appeal shall be binding and shall, if different from that of the Secretary of State under paragraph 9 above, be substituted for the Secretary of State's decision.
12. Where the Company, the Secretary of State or the First-tier Tribunal (Special Educational Needs and Disability) have determined that it should be named, the Company shall admit the child to the Academy notwithstanding any provision of Annex 1 of the Supplemental Agreement of that Academy.
